Introduction of Organizer	<p>Established in 1978, the University/Graduate School of Chinese Academy of Social Sciences (UCASS/GSCASS) is the postgraduate institution directly affiliated to the Chinese Academy of Social Sciences, the prestigious academic institution and comprehensive research center for humanities and social sciences in China. Approved by the then state leaders Deng Xiaoping and Ye Jianying, it has the mandate to contribute academically and scientifically to the social development of China as the think tank for the Communist Party of China (CPC) and the State Council. By leveraging its well-established strength in complete setup of disciplines, rich pool of talents and resources, CASS has carried out creative theoretical explorations and policy studies throughout China's reform, opening up and modernization process, living up to its due mission of overall improvement on humanities and social sciences in China. During the past 40 years, UCASS has continued to prosper, nurturing a host of accomplished alumni who have made significant contributions to stimulating Chinese economic growth, deepening theoretical exploration, and advancing social development as the backbone of society.</p> <p>The organizer has started to host training seminars under the Foreign Aid Program sponsored by the Ministry of Commerce of the People's Republic of China since 2009, resulting in fruitful outcomes with 1,495 officials (of ministerial, director-general and director levels), scholars and business managers from 100 countries as beneficiaries of the program. Multiple advanced and high-end seminars have been successfully held, including the Ministerial Workshop on National Governance for Presidential Advisers (2013-2019), Seminar on Social Security and Social Welfare for Developing Countries, Seminar on Social Governance and Social Security System for Ethiopia, among others, contributing to rich experience in international training projects.</p>
