

## Day in the Life of South Asia's Youth | Guiding Questions

Posts may be guided by the following questions:

- COVID-19 related topics:
  - In the midst of COVID-19, what does a typical weekday look like for you? A weekend?
  - How has COVID-19 affected you and/or your family?
  - What measures has the government put in place to curb the spread of COVID? Have people been following them?
  - Do you think the government should have done anything differently to tackle the pandemic? How?
  - How has the economic slowdown from the lockdown affected your daily life?
  - Has the pandemic increased the role of civil society organizations in your community? How so?
  - Are healthcare institutions closest to you equipped to handle COVID-19? What deficiencies in your local healthcare system have been exposed?
  - How has your education been disrupted? Will you be returning to school once in-person instruction returns?
  - How are you celebrating religious festivals? Have they been disrupted by the pandemic?
- Non-COVID related topics:
  - What is an aspect of your culture that you would like to share?
  - Have you traveled to neighboring countries? If so, how was your experience? Did it influence your perspective, either in general or on any specific subjects?
  - Do you have any big dreams or aspirations? Please share!
  - Which religious festivals do you observe? Which is your favorite and why?
  - What creative activities do you enjoy engaging in with free time?
  - Share a pre-COVID story.
  - What is your favorite roadside shop, or dhaba?
  - How do you and your friends spend time together?
  - What has been your favorite subject in school?
  - Have you read a book recently that resonated with you? Why?
