SUCESSFUL CORPORATE PARTNERSHIPS

SAAB Commanders Series

The Commanders Series, generously supported by Saab, is our premier forum for senior military and defense leaders. The series provides a platform to discuss current strategic issues with an impressive audience drawn from across the Washington DC policy community. Recently, General Laura J. Richardson, Commander of United States Southern Command, joined the Atlantic Council to discuss strategic threats and opportunities in Latin America and the Caribbean.

Google's Sponsorship of the Atlantic Council Global Citizen Awards

In 2022, Google supported the Atlantic Council Global Citizen Awards with a Principal Sponsorship. This typically allows access to two tables at the gala and the ability to work with Atlantic Council staff to strategically seat VIPs. Sponsorship also includes multiple branding opportunities associated with the event including logo recognition in highly visible banners, videos and the program books. Finally, the sponsorship allows access to a private dinner with the honorees.
