10-YEAR ANNIVERSARY GALA

Adrienne Arsht Latin America Center

The Atlantic Council's Adrienne Arsht Latin America Center (AALAC) will mark its ten-year anniversary at a special gala and celebration on October 24, 2023. The anniversary event will acknowledge the Center's achievements over the last ten years, and, importantly, look forward to the region's next decade. The star-studded gala, which will feature leading artists and policymakers, will be Washington's marquee celebration of Latin America and the Caribbean and will convene an elite, international audience—including current and former heads of state, political and policy leaders, ambassadors, business leaders, and members of the media. We will also be recognizing individuals who have championed Latin America and the Caribbean.
